

**LIQUID INSULATOR WAX**

MM COL 845 1 PINT

This heavy duty liquid wax was originally developed for use by electric power companies for protection against high voltage power failure, fires and explosions. It's primary use is on the finishes of automobiles, trucks, buses and airplanes where durability, high gloss and lasting protection are paramount. An excellent choice for fleet applications and very easy to use requires minimum rubbing or buffing. Clear coat safe.

**LIQUID METAL WAX**

MM COL 850P 1 PINT

MM COL 850MG 1/2 GALLON

This easy to use liquid metal wax cleans and protects chrome, aluminum, copper, brass and stainless steel in one easy step. Will safely remove rust and salt deposits while protecting marine fittings/accessories and car, truck and motorcycle metal finishes. Contains neither strong acid, nor harsh alkali.

**HEAVY DUTY LIQUID FLEETWAX**

MM COL 870P 1 PINT

MM COL 870MG 1/2 GALLON

Cleans, protects and beautifies marine finishes in one easy operation. No hard rubbing or buffing. Contains rare, pure Carnauba waxes combined with advanced polymer technology. Leaves double coating of protection that lasts & lasts. Out performs products costing many times more.

**HEAVY DUTY PASTE FLEETWAX**

MM COL 885 12 OZ

For Marine & Aeronautical Finishes. Developed especially to seal and shield against acid rain, sun, salt spray, bugs and other environmental acids. Easily applied and non-abrasive, wax will prevent finish deterioration and the adhesion of foreign elements.

It has been listed as the #1 rated boat wax three times by two of the industry's most respected consumer journals.

### FIBERGLASS BOAT CLEANER

MM COL 920P 1 PINT  
MM COL 920MG 1/2 GALLON

Easily removes dirt, film, oxidation, oil, grease, rust and exhaust stains from fiberglass finishes. Restores the original color quickly without hard rubbing or buffing. Leaves a chemically clean surface to which Collinite waxes can bond perfectly. Increases long-lasting brilliance and performance of protective wax coating.

### FIBERGLASS BOAT WAX

MM COL 925 1 PINT

Goes on easy and stays on all season for a wipe and shine deck, glistening topsides, and a super slippery bottom. Contains a special pure Carnauba wax formula proven in harsh industrial environments. It will easily shrug off scrubbing, scuffing, detergents, salt water and marine organisms all year long.

### LEATHER AND VINYL WAX

MM COL 855 1 PINT

Cleans, beautifies and protects leather and vinyl automotive, marine, aircraft, and household upholstery in a single, easy operation. Leaves a high gloss with a protective coating against wear, deterioration, spills and oxidation. Can be easily cleaned with a damp cloth.

### COLOR-UP PREWAXCLEANER

MM COL 840 1 PINT

Easily removes dirt, film, discoloration, oil, grease, tar, wax and bug stains from highly finished surfaces. Recommended for cleaning automobile paint, chrome and aluminum accessories. Also great for enameled, lacquered and varnished furniture as well as chrome fixtures and appliances. Not recommended for dark-colored clearcoat finishes.

**MARQUE D'ELEGANCE PREMIUM  
AUTO WAX**  
MM COL 915 12 OZ

For the BEST in wax endurance, Marque d'Elegance is the product to have. Car enthusiasts demand a wax that is proven to protect in the most demanding environments, rain or shine, on track or on the street. They have discovered that Collinite Marque d'Elegance gives their valuable automotive investments a blinding, lasting shine because it's formulated from the highest-ever concentration of pure Carnauba waxes. And no abrasives means all Collinite waxes are absolutely clear coat safe.
