

THE LEATHERMAN[®] DIFFERENCE

Efficient

We could leave open gaps in our tools, but we'd rather fill every space with blades you can use.

Precise

We prefer to do a job right-so we take the extra steps of grinding our screw-drivers on 3 sides (count'em) for a precise fit.

Comfortable

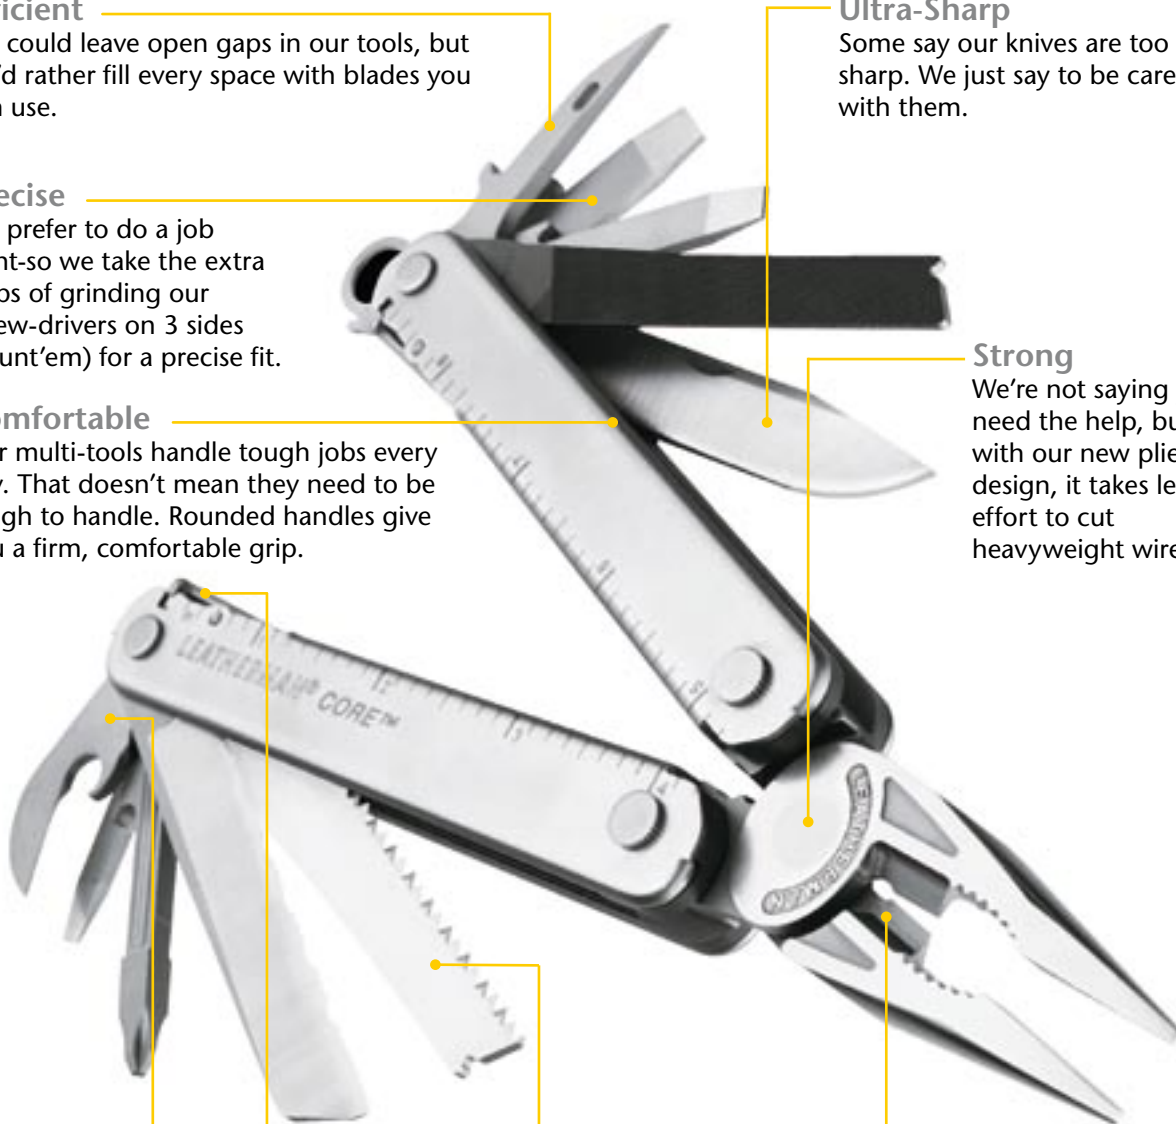

Our multi-tools handle tough jobs every day. That doesn't mean they need to be tough to handle. Rounded handles give you a firm, comfortable grip.

Ultra-Sharp

Some say our knives are too sharp. We just say to be careful with them.

Strong

We're not saying you need the help, but with our new plier design, it takes less effort to cut heavyweight wire.

Detailed

We liked grabbing one blade and getting 3 or 4. But our customers didn't. So we listened to them. Now when you pull out a blade, you'll get just one at a time.

Secure

Our locks are easy to use. And they don't require an engineering degree to figure out.

Well Designed

Our engineers are always thinking. Coming up with a saw design that's easier to use? Now that's why they get the views of Mt. Hood from their offices.

Perfectly Aligned

At the risk of being too obsessed with quality-we test every wire cutter for perfect alignment before it leaves our shop. You'll thank us when you're still cutting thick and fine-gauge wire years from now.

KNIVES

FEATURES

BLADE LAUNCHER™. No springs required. A little Leatherman ingenuity and the flick of a finger are all that are needed to put the knife blade to work. Special materials help make the action smooth and easy, and the finger tab disappears into the handle once the blade is deployed. Nothing else on the market operates this simply or this well.

CARABINER. Our patent-pending carabiner stays hidden until you need it, nesting with other components to save space. Then a simple thumb action is all that is required to hang your Leatherman knife on a backpack, rope or belt loop. Plus, it locks into place so attachment is easy.

BOTTLE OPENER. The carabiner is also designed to be the best bottle cap lifter we've ever offered. And since it easily rotates or slides out with one hand, you won't have to wait long to enjoy your reward for a day's work well done.

Durable

Ready to work and built to last.

Innovative

Cutting-edge designs with new features.

Sharp

A clean cut every time.

Secure

Easy-to-use locks keep blades in place.

Convenient

More versatility, less space.

E300 MM LTH 830354
E301 MM LTH 830366

A classic locking liner with Leatherman's Blade Launcher™ knife deployment mechanism. Durable glass-reinforced nylon handles provide a sure grip for working with the 420 stainless steel blade. Available with a plain (model e300) or combo edge (model e301).

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
Blade material: 420 stainless steel
Lock mechanism: Locking liner
Closed length: 3.875"
Open length: 6.7"
Blade length: 2.8"
Weight: 3.0 oz., 86 grams
Blade grind: Hollow
Blade style: Straight edge (e300),
combination straight and serrated (e301)
Blade finish: Bead-blasted
Handle material: Glass-filled nylon with rubber inserts

e300

e300 | straight blade

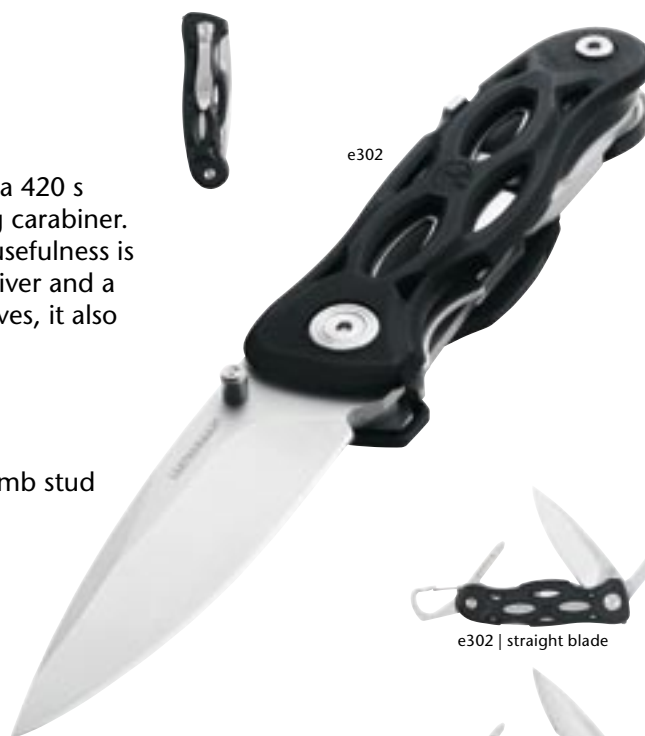

e301 | combo blade

E302 MM LTH 830357
E303 MM LTH 830369

Skeletonized glass-filled nylon handles contain a 420 stainless knife and Leatherman's unique rotating carabiner. But in typical Leatherman fashion, even more usefulness is provided, here in the form of a Phillips screwdriver and a 1/4" flat screwdriver. Like all e- and k-series knives, it also includes a removable pocket clip.

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
Blade material: 420 stainless steel
Lock mechanism: Locking liner
Closed length: 3.875"
Open length: 6.7"
Blade length: 2.8"
Weight: 3.9 oz., 111 grams
Blade grind: Hollow
Blade style: Straight edge (e302),
combination straight and serrated (e303)
Blade finish: Bead-blasted
Handle material: Skeletonized glass-filled nylon

e302

e302 | straight blade

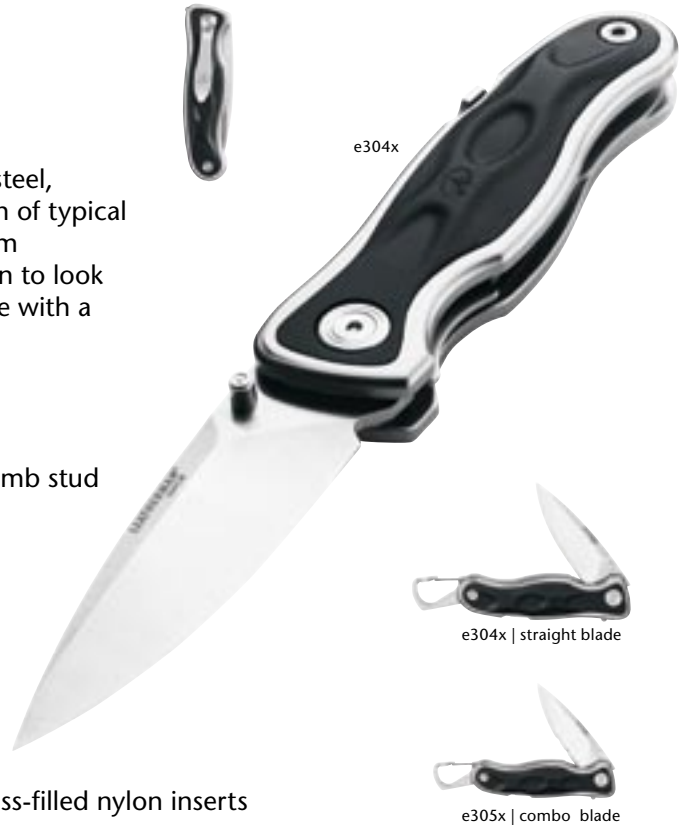

e303 | combo blade

E304X MM LTH 830360
E305X MM LTH 830372

This three-ounce gem features 154 CM blade steel, engineered to provide triple the edge retention of typical stainless steel knives. The handle is created from machined aluminum and glass-reinforced nylon to look great and keep weight to a minimum. Available with a plain (model e304x) or combo edge (e305x).

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
 Blade material: 154 CM
 Lock mechanism: Locking liner
 Closed length: 3.875"
 Open length: 6.7"
 Blade length: 2.8"
 Weight: 3.0 oz., 84 grams
 Blade grind: CNC flat
 Blade style: Straight edge (e304x),
 combination straight and serrated (e305x)
 Blade finish: Polished and ground
 Handle material: Machined aluminum with glass-filled nylon inserts

E306X MM LTH 830430
E307X MM LTH 830433

The Blade Launcher™ is just the start of a long list of features and versatility on this folder. It offers more usefulness than thought possible in a pocketknife this size. A proprietary bit driver combines with a bit holder integrated into the handle to provide six screw bits. A 154 CM blade, locking carabiner-bottle opener and removable pocket clip complete this compact workhorse.

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
 Blade material: 154 CM
 Lock mechanism: Locking liner
 Closed length: 3.875"
 Open length: 6.7"
 Blade length: 2.8"
 Weight: 4.2 oz., 118 grams
 Blade grind: CNC flat
 Blade style: Straight edge (e306x),
 combination straight and serrated (e307x)
 Blade finish: Polished and ground
 Handle material: Machined aluminum with glass-filled nylon inserts, stainless steel bolsters

Included Bits:
 Phillips #1 & #2
 Screwdriver 3/16" & 1/4"
 Screwdriver 1/8" x Torx #15

C300 MM LTH 830343
C301 MM LTH 830349

A classic locking liner with Leatherman's Blade Launcher™ knife deployment mechanism. Durable glass-reinforced nylon handles provide a sure grip for working with the 420 stainless steel blade. Available with a plain edge (model c300) or combo edge (model c301).

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
Blade material: 420 stainless steel
Closed length: 4.0"
Open length: 6.8"
Blade length: 2.8"
Weight: 2.88 oz., 81.6 grams
Blade grind: Hollow
Blade style: Straight edge (c300),
combination straight and serrated (c301)
Blade finish: Bead-blasted
Handle material: Glass-Reinforced nylon

C302 MM LTH 830345
C303 MM LTH 830351

The sleek aluminum handle and 420 stainless steel blade are crafted in Leatherman's feature-rich tradition. With a unique rotating carabiner/bottle opener, removable pocket clip and patent-pending Blade Launcher™ technology, the c302 (straight edge) and c303 (combo) are the ultimate combination of form and function.

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
Blade material: 420 stainless steel
Closed length: 4.0"
Open length: 6.8"
Blade length: 2.8"
Weight: 3.2 oz., 90.7 grams
Blade grind: Hollow
Blade style: Straight edge (c302),
combination straight and serrated (c303)
Blade finish: Bead-blasted
Handle material: Aluminum

C304 MM LTH 830347
C305 MM LTH 830353

Get the job done right the first time with all the Leatherman quality and functionality you've come to expect. With two screwdrivers, carabiner/bottle opener combination and removable pocket clip, the sure grip of the nylon handle with rubber-inserts will give you a great hold on more than just a 420 stainless steel blade.

SPECS

Blade opening: One-hand Blade Launcher, thumb stud
 Blade material: 420 stainless steel
 Closed length: 3.88"
 Open length: 6.68"
 Blade length: 2.8"
 Weight: 3.92 oz., 111.1 grams
 Blade grind: Hollow
 Blade style: Straight edge (c304),
 combination straight and serrated (c305)
 Blade finish: Bead-blasted
 Handle material: Glass-Reinforced nylon with rubber inserts

K500X MM LTH 830382
K501X MM LTH 830394

The k500x/k501x was created specifically for rigorous use by avid hunters. Its traditional lockback design and comfortable, durable handle materials make working with the knife blade a breeze. And because the blade is made of premium 154 CM stainless steel, it will hold its cutting edge three times as effectively as typical stainless knives. Optional belt sheath available at www.leatherman.com/shop.

SPECS

Blade opening: Thumb stud
 Blade material: 154 CM
 Lock mechanism: Lockback
 Closed length: 4.5"
 Open length: 7.6"
 Blade length: 3.1"
 Weight: 4.6 oz., 132 grams
 Blade grind: CNC flat
 Blade style: Straight edge (k500x),
 combination straight and serrated (k501x)
 Blade finish: Polished and ground
 Handle material: Skeletonized glass-filled nylon

K502X MM LTH 830438
K503X MM LTH 830438 COMBO

Take everything you expect from a traditional lockback folder. Then pile on the features—can opener, bottle opener, bit driver (with six screw bit tips), even a carabiner clip—but do it so the extra versatility isn't noticed until it's needed. What you get is a product engineers like to call "feature dense," which means the k502x and k503x provide maximum usefulness with minimum bulk.

SPECS

Blade opening: Thumb stud
 Blade material: 154 CM
 Lock mechanism: Lockback
 Closed length: 4.5"
 Open length: 7.6"
 Blade length: 3.1"
 Weight: 7.2 oz., 204 grams
 Blade grind: CNC flat
 Blade style: Straight edge (k502x),
 combination straight and serrated (k503x)
 Blade finish: Polished and ground
 Handle material: Glass-filled nylon
 with rubber overmold, stainless steel bolsters

Included Bits:

Phillips #1 & #2
 Screwdriver 3/16" & 1/4"
 Screwdriver 1/8" x Torx #15

H500 MM LTH 830379
H501 MM LTH 830379 COMBO

Smooth one-handed opening and a strong, 420 HC stainless steel blade make this folding knife the perfect choice for avid hunters everywhere. You're sure to appreciate the traditional lockback design and comfortable, durable handle that make working with this knife a cinch. Available with a plain edge (h500) or combo edge (h501).

SPECS

Blade opening: Thumb stud
 Blade material: 420 stainless steel
 Lock mechanism: Lockback
 Closed length: 4.5"
 Open length: 7.6"
 Blade length: 3.1"
 Weight: 3.6 oz., 102.1 grams
 Blade grind: Hollow
 Blade style: Straight edge (h500),
 combination straight and serrated (h501)
 Blade finish: Bead-blasted
 Handle material: Glass-Reinforced nylon with rubber inserts
 Included Accessories: Nylon belt sheath

H502
MM LTH 830437
H503
MM LTH 830437 COMBO

The streamlined design of a traditional lockback folder meets the functionality of a multi-tool, without additional bulk. You'll find a quality 420 HC stainless steel blade and plenty of additional features-bit driver (with six screw bit tips), bottle opener and folding carabiner clip-all neatly tucked into a comfortable handle with rubber inserts for maximum portability.

SPECS

- Blade opening: Thumb stud
- Blade material: 420 stainless steel
