LEMON SCENT ALL-PURPOSE CLEANER

Introducing Lemon Scent Simple Green® All-Purpose Cleaner. The original non-toxic, biodegradable, concentrated formula that customers have known and trusted for over twenty-five years is now available in lemon scent. The concentrated formula can be diluted with water to remove grease, soap scum, coffee and juice stains, ink, lipstick and more from any washable, indoor or outdoor surface. Lemon Scent is ideal for kitchens and baths!

Where to Use

From dirty floors and walls, to greasy pots and pans, from laundry and carpet stains, to grimy tubs and toilets. Simple Green can tackle almost any job around the house. Lemon Scent Simple Green All-Purpose Cleaner can replace most cleaners, detergents, degreasers and laundry pre-soaks in your home!

ALL-PURPOSE CLEANER/DEGREASER

An environmentally-sensitive non-toxic cleaner/degreaser that really works and can be economically custom-diluted for many, many different uses. From floors and walls to pots and pans, from windows to sinks and drains, from stained carpets to greasy tools, it only takes a little Simple Green to get big jobs done around the house.

Simple Green is one of the most versatile all-purpose cleaners you can buy! It's non-toxic and biodegradable, without harmful bleach. Because it is a concentrate, you can custom dilute Simple Green to clean just about anything dirty. It replaces most cleaners, detergents, degreasers and laundry pre-soaks you're using now!

Where to Use

Simple Green All-Purpose Cleaner/Degreaser can be used on any washable surface, from floors and walls to laundry and vehicles. It removes the toughest stains including dirt, grease, oil, pet stains, coffee & juice stains, lipstick, blood, adhesives & much more!

MM SMP CRYSTAL1000 1000 ml
MM SMP 72910 10 Kg

CRYSTAL - INDUSTRIAL CLEANER/DEGREASER

Crystal Simple Green® is formulated for critical cleaning applications that demand a fragrance-free solution. It is a highly effective, concentrated, all-purpose degreaser and cleaner. Because Crystal Simple Green is fragrance-free, color-free and has high rinsibility, it is an ideal and effective degreaser/cleaner for use in many industries.

Where to Use

Ideal for industrial/manufacturing, electronics and parts washing industries. Also approved for use in Federally inspected meat and poultry plants and meets Montreal Protocol Guidelines and FDA requirements for cleaning in cosmetics, medical and pharmaceutical environments where Good Manufacturing Practices (GMP) are followed. No ozone-depleting substance warning labels required.

EXTREME AIRCRAFT & PRECISION CLEANER

Extreme Simple Green® Aircraft & Precision Cleaner is a breakthrough water-based formula that cleans engines, aircraft, vehicles, metals, plastics, high-tech alloys, and parts. This non-corrosive, low-foaming cleaner/ degreaser does not contain reagents that oxidize finishes, cause rust or degrade elastic materials such as rubber or vinyl-but protects the life of hoses, seals, gaskets, paint finishes and other hard surfaces plus rinses residue-free for ease of use and protection of structures and finishes.

MM SMP HAND CLEANER 140	140 ml
MM SMP HAND CLEANER	1 Gallon

HAND CLEANER GEL

Simple Green® Hand Gel is the safer solution for heavy-duty hand cleaning. With over 30 years of environmental leadership, Simple Green has customized a hand cleaner that has the powerful cleaning ability of Simple Green All-Purpose Cleaner/Degreaser, while being easy on the hands. It contains natural pumice to enhance the cleaning of stubborn dirt and grease; and lanolin for moisturizing and protecting skin.

Where to Use

Simple Green Hand Cleaner Gel will remove grease, grime, dirt, oil, wet paint, tar, soot, carbon and much more. It also deodorizes hands from the lingering smell of grease, oil, paint or even fish odor. Simple Green Hand Cleaner Gel can be used around the home, including the garage, workshop, kitchen and bathroom. A great cleaner...hands down.

MM SMP LIME SCALE REMOVER500	500 ml
MM SMP LIME SCALE 72101	1000 ml
MM SMP LIME SCALE 72110	10 kg

LIME SCALE REMOVER

Simple Green® Lime Scale Remover offers just the right balance. . . it's strong enough to effectively tackle that dreaded cleaning task of removing hard water mineral deposits and it's mild enough to protect surfaces from the damage that harsher removers can cause.

The mild, buffered acid in Simple Green Lime Scale Remover — commonly used in the cosmetic industry—provides an important difference from other scale removers; which can strip protective finishes from porcelain, tile and plumbing. The new de-scaler — with the strength, quality and thoroughness already associated with the Simple Green name — is specially formulated to effectively dissolve and remove mineral deposits, hard water stains and soap scum.

Simple Green Lime Scale Remover has a pleasant wintergreen scent that leaves rooms deodorized and fresh smelling. It will not harm drains or pipes, including PVC. It's the perfect teammate to Simple Green All-Purpose Cleaner/Degreaser for keeping the kitchen and bathroom clean and looking like new!

Where to Use

Simple Green Lime Scale Remover is safer to use on porcelain sinks, toilets and tubs, ceramic tile, shower and faucet fixtures, glass shower doors, aluminum, chrome and stainless steel. It can also be used to clean water deposits from glassware, coffee makers, dishwashers and laundry washing machines — just rinse well after applying. It's tough enough to take care of long-term scale and scum build-up, yet safe enough to be used on a frequent basis. Make it easy to keep that scale and scum off and keep fixtures shining brightly.

AUTOMOTIVE

New Pro Series Simple Green Automotive was developed especially for the automotive enthusiast, regardless of what kind of auto-care or clean-up you're doing.

Pro Series Simple Green Automotive contains no ammonia or alcohol, is VOC compliant, and is non-flammable and non-abrasive. Most importantly, it's non-toxic and readily biodegradable, to ensure care is taken with our environment, as well as with our recreational vehicles and automotive equipment.

Where to Use

Pro Series Simple Green Automotive is great for cleaning grease off of tools, work benches, shop floors and doors, and cleaning grease and grime from oil pans and wash basins. It cuts through brake dust, rubber marks, oxidized paint, road tar, bug juice and oil trails on grills, headlamps, bumpers, and leading or trailing edges of trucks, vans, trailers, motor homes, RVs, motorcycles, and more.

MM SMP WHEEL

500 ml

WHEEL

As part of our Pro Series line of automotive products, Pro Series Simple Green® Wheel Cleaner Foam is a specialized formula that effectively cleans all types of wheels - including alloy / aluminum - without harming the surface or the user. Its non-toxic, biodegradable formula comes in a quick-release foam that clings onto hard-to-reach and vertical surfaces, allowing for safer and more effective degreasing. It removes brake dust, grease, oil, bugs, road grime and much more!

In step with our environmental responsibility, Pro Series Simple Green Wheel Cleaner Foam contains no CFC's and the cans are 100% recyclable, made with partially recycled steel.

MM SMP AUTO SCRUBBING PAD

AUTOMOTIVE SCRUBBING PAD

As part of our Pro Series line of automotive products, Pro Series Simple Green® Scrubbing Pad is packed with powerful, non-toxic, concentrated, slow-release Pro Series Simple Green Automotive Cleaner/Degreaser. The non-abrasive scrubbing pad can be used safely on washable surfaces; and is ideal for tires, wheels, rubber bumpers, chrome, vinyl, windshields and more! Easy to store and carry anywhere. Durable for repeated use. Just activate with hot or cold water and use again and again. Makes tough cleaning easy. Perfect for use with Pro Series Simple Green Automotive Cleaner/Degreaser and Pro Series Simple Green Wheel Cleaner Foam.

MM SMP CARPET CLEANER500 MM SMP CARPET CLEANER1000

500 ml

1000 ml

CARPET CLEANER

Safer: Simple Green® Carpet Cleaner is the safer choice for consumers who care about the environment inside of their homes. Its professional-strength formula deodorizes as it deep-cleans and safely removes tough stains such as: motor oil, grease, coffee, wine, chocolate, blood, lipstick, and much more. Non-toxic, non-allergenic, and biodegradable, Simple Green Carpet Cleaner also contains a special protection agent that helps maintain the stain resistance already found in most carpets, rugs and upholstery. Simple Green Carpet Cleaner brightens without bleach, is clean rinsing and has no added color of petroleum distillates. Its versatile, concentrated formula can be custom diluted to safely clean stains or for use in hot water extraction and steam carpet machines.

Where to Use

Anywhere carpeting is found: offices, classrooms, showrooms, hotels, restaurants, museums, and more.

MM SMP DEFOAMER

10 kg

DEFOAMER

Highly concentrated - non-toxic - non flammable - silicone free

Especially developed to be used in combination with Simple Green and CRYSTAL. Immediately cuts down foam in dirty water tanks of floor cleaning machines or in industrial washing machines and dishwashers. Moreover, DEFOAMER has the ability to absorb hydrocarbons and therefore accelerates their elimination from the cleaning solutions.

MM SMP 70410

10 kg

RUST INHIBITOR

Concentrated - non-flammable - water-dilutable - deferring - protects from corrosion

Used as an additive for Simple Green and CRYSTAL Simple Green or as sole additive in dip tanks, RUST INHIBITOR temporarily protects the treated iron parts from corrosion (flush rust).

MM SMP SCRUBBING PAD

SCRUBBING PAD

This tough, handy cleaning tool is packed full of effective, biodegradable, non-toxic Simple Green®. The Simple Green Scrubbing Pad is heavy-duty for tough cleaning jobs, yet non-abrasive for lighter cleaning. Each Scrubbing Pad contains micro-encapsulated concentrated Simple Green for hundreds of uses. Just wet with water and squeeze to activate.

Where to Use

The non-abrasive pad works well on all washable surfaces around the house and is great for auto tires, wheels and rubber bumpers. Safe for delicate surfaces such as tile, teak, formica, marble, and fiberglass, yet tough enough for grimy tubs, scuff marks and barbecue grills.
